Dear Parents,

Photos of your child participating in a Yukon Wildlife Preserve Education Program may be taken at the Yukon Wildlife Preserve (YWP).

These photos will not be used for sale or other commercial purposes, but strictly for information purposes and to promote our educational programs to other schools, Yukon Wildlife Preserve members, Department of Education officials and to the general public.

Copies of photos can be made available to parents and will be provided upon request.

Please respond in the appropriate section below, and return this form to school with your child. If you have any questions about this, please do not hesitate to call me.

Sincerely,

Jake Paleczny
